The Gandolfo Family Scholarship

In Loving Memory of Bob Gandolfo

Bob and Elaine Gandolfo raised their children on the foundation of faith, family, friends, and community. When the time came for their three children, Rob '85, Barbara '88, and Michael '91, to attend high school, they chose Elyria Catholic as they believed the school embraced these values and would continue to enhance the foundation started at home; a tradition that Rob, Barbara, and Michael proudly pass on to their children today.

The Gandolfo Family Scholarship was created with the hope of financially assisting other families committed to establishing and strengthening these fundamental building blocks in their own children.
